SECURITY ADVICE FOR EVERYONE

CST

Bringing communities together

SAFE - Security Advice For Everyone - is an initiative by the Community Security Trust (CST) to improve the security of all vulnerable UK communities

Protecting all communities

CST is the charity that delivers security for the UK Jewish community's 650 communal buildings and 1,000 events each year.

CST's SAFE programme delivers talks, webinars and training materials on the safety and security of premises, places of worship and members of all vulnerable UK communities.

Our advice is always free
